Gamefish Tournament Monitoring Project – Phone Survey Form

It would be greatly appreciated if you could hand in this form along with your tournament entry form.

The information that you provide on this form may be used by staff of the NSW DPI Gamefish Tournament Monitoring Program (GTMP) for a short phone survey after this event. The purpose of these surveys is to improve future sampling and quantify any biases in the current sampling. Details provided about your fishing boats will be used to standardise catch rates (which will give better proxies of fish abundance).

More detailed information about these surveys will be available at tournament briefings, in tournament entry bags, at www.dpi.nsw.gov.au/pubs/gamefish-tourn-info or by contacting NSW DPI (see contact details below).

This research is important for the future of gamefishing and is supported by the NSW Game Fishing Association (NSW GFA) and the Game Fishing Association of Australia (GFAA). The information that you provide on this form is given voluntarily. The information may be disclosed to staff working on the NSW DPI GTMP for those or other related purposes but will not be disclosed to the general public or other government agencies. Information collected will be electronically stored on secure servers at NSW DPI – Cronulla. If you have any queries regarding these surveys or if you wish to access or correct your personal information please phone Danielle Ghosn (NSW Department of Primary Industries) on (02) 9527 8549 or write to Danielle Ghosn NSW DPI PO Box 21, Cronulla NSW 2230 or email danielle.ghosn@dpi.nsw.gov.au.
